Re: Refund of Publication Fee  
Serial No.: 09/712,420  
Attorney Docket No.: ONX-109  
Filing Date: November 13, 2000

To Whom It May Concern:

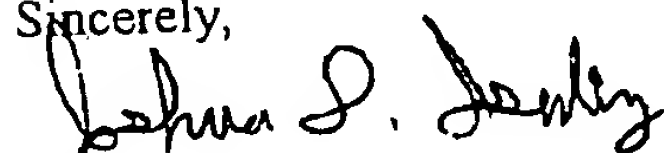

The Applicant respectfully requests a refund of publication fee in the above-referenced US patent application. The Applicants received a Notice of Allowance and Issue Fees due in the application. The Notice of Allowance indicated that only the Issue fee was due. A credit card payment form (PTO-2038) for \$1330 was submitted on September 29, 2004 and the credit card was charged this amount on October 4, 2004. However, it has come to the Applicants' attention that the USPTO has apparently also charged the publication fee of \$300 to the same credit card that was used to pay the Issue Fee.

1030  
300

Since this application was filed before November 29, 2000, the provisions of 35 USC 122(b)(1)(A) regarding publication of the application do not apply. Furthermore, the Notice of Allowance correctly indicates that the publication fee due was \$0 indicating that the fee was not to be charged. Furthermore, the Applicants did not indicate in item 4a on the PTOL-85 (Part B) that the publication fee was to be paid. Therefore, the USPTO's subsequent charging of the publication fee was improper and unauthorized. As such, the Applicant respectfully requests a refund in the amount of \$300.00 for the unnecessary and improper charge for the publication fee.

Copies of the Notice of Allowance and a USPTO credit card transaction report showing the relevant transactions is submitted as proof of the facts recited above.

Sincerely,

Joshua D. Isenberg
